The Premises:

Modern apartment in central Birmingham. Easy entry, clean, nice shower, comfortable bed.

The Lady:

Gorgeous. I have seen Kimberly a few times and whatever her hair colour she is simply a lovely looking young lady with a cheeky smile on her lips and especially in her eyes. Small build but highly strokeable bum and suckable tits.

The Story:

Kimberly absolutely is one of my most favourite girls of all time - and that is a long time.

She is totally fanciable in looks and she is also the most accommodating, sexy, cheeky, responsive, kissable, lickable and fuckable lady I know.

She is very pro-active and seems to love what she is doing - how big a part of a good punt is that.

She gives a fantastic blow job with a wandering hand included and is brilliant to have sex with in any position.

If this sounds too positive to the point of being over the top, you haven't spent time with this amazing lady.
