### The Premises:

Comfy and clean room in terraced houses.

### The Lady:

Jasmine is an attractive girl but the photo's are either (a) very old or (b) Massively photo shopped beyond recognition. She is nowhere near as toned and tight bodied as the photo's suggest and much "thicker set" A good 2 stone heavier than person in picture IMHO. Some cellulite, not a slim waste etc. Her boobs still look and feel great though. Facially she is pretty, nice round ass.

### The Story:

An issue on timing arose. I arrived a couple of minutes before 2PM. Shown up to the room. It was between 2:10 and 2:15 before Jasmine came into the room. She popped in the door said hello and a kiss and then disappeared off to the toilets for another 5 or so minutes. I was not too worried about this because I assumed that that the clock had not started running. She also had to leave the room again to get some KY and check whether I could extend from 45 minutes to 1 hour. Towards the end of the session just before around 2:55 she asked whether I wanted a quick massage before I left. After initially just agreeing I looked at my watch and I said that we had at last 15-20 minutes left which was more than enough for another round. There was then a discussion about when the hour should have began from. She felt it was when she first introduced herself around 2:10/2:15 whereas my view is that it is when she actually reappeared. I did not want it to become an issue. She offered 5 minutes more sex if i could cum again, but it was not going to happen in 5 minutes. In the end we spent over 5 minutes discussing this lol I paid for the hour but basically got 40-45 minutes as far as I am concerned. She had another client waiting for her at 3pm so she should not have extended to the hour in the first place and also another girl needed the room so I would have had to leave by 3PM

Once the session finally started we started with some french kissing and fondling. Her boobs and bum feel great. Licked her pussy for a while but she didn't like to be fingered which was a shame. Got onto my knees so she go suck me off but she didn't like that position so we switched to

me laying on my back. Her blow job technique was fairly good but she had an annoying habit of using a baby wipe every few minutes to remove any saliva/pre cum. I was also gently guiding her head but she didn't like me touching her hair as she said she had just washed it and didn't want to get precum etc in it. I asked to cum on her face but she didn't like this or CIM (disappointingly her profile did say "all services") all in all Jasmine seemed more concerned with not getting messy than giving me a good time. Sex is meant to be messy lol. In the end she said I could cum on her boobs but she seemed very awkward with it ended up most of it up on the pillow. Quick clean up and chat. She can hold a conversation and we talked about Brazil and the World Cup

Onto second round and lubed up for some Anal in Doggy. She took it well but didn't seem overly keen on switching positions. After 10 minutes we switched condoms for the pussy fucking. We did this position that I have never done before, like missionary but she closes her legs. It did feel very good but feels very tight. Came after 5 minutes or so. After a quick clean up the discussions over time began.

Overall the Anal and good personality saved the session because she seemed to lack enthusiasm for many of the other services. Not up to the same service standards as Foxy at the same establishment who I saw last year

One last thing, she made a bitchy comment about the looks of one of the other girls that was very unprofessional. Girls will be girls I suppose.
