The Premises:

Very upmarket, posh area. Very safe, sufficiently discreet. The bedroom matches the location in terms of quality and there was an ensuite shower. A mirrored wall would have been a welcome addition though, instead of just a narrow, upright mirror.

The Lady:

As good as she appears in her photos, they don't do her justice. Tall and slender, with curves just where you want them. Absolutely lovely to look at in every way.

The Story:

Having a great body and a beautiful face is only half the story. A woman can have those attributes but still not be sexy, because to my mind sex appeal depends even more on personality. Well, Valentina's personality is just so naturally warm, friendly and responsive that she is just stunning in every way.

The hour just flew by. We had a fabulous time (I say "we" because that's how it seemed) and I left walking on air, feeling like a million dollars.

Marks out of ten? Eleven.
