### The Premises:

Clean well equipped parlour next to pub on Ashton Old Road.

### The Lady:

Willowy Spanish girl. Nice bum.

Speaks reasonable English, but either doesn't listen well or perhaps struggles to understand what you are saying.

Giggles a lot.

### The Story:

Originally I had planned to book and see Jennifer, but dropped this when I discovered that she didn't do RO.

So I decided alternatively that I would book Erica, unfortunately by the time I had a chance to do so my phone was dead, so I hoped that I would be lucky and that she would be free when I turned up, but it was not to be, for as I got to Infinity another punter had just booked her for a 45 minute session and I was unable to wait until she became free.

So now only choice is between Rosie and Sandy, with me going for Sandy in the end.

The encounter was pretty much by the numbers, with all the main points covered, massage to start, followed by some RO, very nice, then covered oral, which was okay but not outstanding, then some missionary fucking and ending with mutual masturbation.

Although Sandy is a nice enough girl I found her to be lacking any enthusiasm and felt that she was just going through the motions, others may find her more responsive, so the neutral mark.
