### The Premises:

Place is clean and tidy

### The Lady:

Not what appears on the websites picture, may be she gained a few extra pound since those pictures was taken.

### The Story:

She is cold and unresponsive. Her oral didn't take long maybe 20-30 sec before she got up and pointed to the bed meaning that's it!!! Then she complained about my stubs as I didn't have a clean shave on my face. All of a sudden she got up and left the room claiming I was rude to her by saying "Hurry up". Since when asking somebody to hurry up is rude??? I would not recommend this lady at all. Don't waste your time and money.
