### The Premises:

GFE is situated close to Sheffield Arena, right next to the site of the former Don Valley Stadium.

Parking available at rear.

The reception is a relaxed space and complimentary soft drinks are provided.

Rooms are very clean at GFE with good shower facilities.

### The Lady:

Cherry is a beautiful girl.

Probably around 5'5" in height with a perfectly proportioned body and olive skin tone.

As well as being physically stunning, Cherry is also an intelligent and lovely lady - incredibly easy to speak to.

### The Story:

I arrived early evening at GFE without making an appointment & I was very lucky to find that Cherry was available (having selected Cherry from a visit to the GFE website).

Cherry is even more beautiful in the flesh than her profile photographs suggest. I was led upstairs and after taking a shower, Cherry came back into the room and gave me a great massage.

I opted for the GFE which was definitely the right choice - this was only my second GFE and I cannot imagine it getting much better than this! The kissing was great and continued throughout the half hour.

Whilst preferring not to describe in detail all that followed, I can say that everything we did (including some fantastic extras) was amazing and Cherry is really great at everything she does.

Cherry genuinely seemed to enjoy our brief but exciting time - I hope to book a longer time on my next visit. At the end there were five minutes left during which Cherry gave me another massage.

We then had a long and very personal chat afterwards during which we were both very open and at ease with each other, especially bearing in mind this was the first time I had had the pleasure of Cherry's company.

This is my first review on here, written purely because I had such a great time. Cherry is a really special lady and should be treated with the respect she deserves. I can't wait for the next time.

P.S. Nice win on the football betting for us both!
