The Story:

It was a fantastic time i never ever had before. She is very sweet and horny in the same time. Firstly she gave me a big smile and offers me a dring and told me to relax first then she give me deep and long DFK and slowly take off my cloth and then we go shower together.
Once we back to the bed she make me feel like i'm flowing in the air as she give me tremendous OWO and very hard work cowgirl
And it made me cannot hold any more after we finish the first round Elsa give me sensual massage for couple time then she try to make me hard again oh she was amazing but i'm too tired from work so she then give me good thai massage instead. Really enjoy and don't want to leave her my goodress.
Will be back to see her soon
