The Premises:

Flat in a mansion block near Edgware Road Station. Clear directions were given and it is very easy to find. There is a door entry system and it is all very discreet.

Inside the flat is clean and comfortable, I was shown to the changing room and handed a towel, gown and a hanger, having changed I had a quick shower and then....

The Lady:

They are all very lovely, a mixture of nationalities but all had the most gorgeous bodies and all of them made sure that all the guests had a good time.

The Story:

One of the best party experiences that I have ever had, I left drained on wobbly legs but had a smile all the way home.

It started with Vera grabbing me and another bloke and giving us alternative BJs, Monika then decided that I needed more attention and took me away for one of the nicest experiences I have ever had. Having drained me I retired to the kitchen for a glass of water and Angel decided that I needed her attentions, sadly having not had any fluids I was not able to come but she did under the ministrations of my tongue. Still not enough and Vera decided to finish what she started earlier, then Lexi decided that I needed to come with her and at some point Lady M came in and flashed her tits at me just for some more encouragement!

Finally Toni and I had some fantastic fun together and I came for the third of fourth time. As it was nearly the end of the party Lexi and Toni decided that I needed a four handed massage.

Boys if you want a couple of hours of full on fun then this is for you. There was 6 or 7 girls and only about 7 or 8 of us so there was no waiting around. All in all I had something like 6 BJ and sex in at least 8 positions with 6 girls, this is what heaven must be like!

Definitely worth a second, third and fourth visit, I just need to get my strength back!

Thanks girls and I hope to see you soon
