The Premises:

First time to Debbies but found it very easily from Anerley station having travelled there from central London.

The Lady:

Lara is a petite brunette - probably in her early 30's. The photos on the web-site are accurate.

The Story:

I have seen Lara a few times now and is one of the best punts I have ever experienced. She is a passionate kisser with plenty taking place even before I had completed the "paperwork".

Opted for the assisted shower which was excellent. Lara is so sensual and came for the first time within minutes from my fingering of her g-spot and attention on her clit.

Moved back to the room where I gave her reverse oral to another climax and then she returned the favour with OW and then reverse cow-girl (she came again). Finished off in mish. This is the most number of times she has climaxed as far as I can recall on my previous visits to see her; she is either a great actress or one hellva nymph - I think the latter!

The session overran which seems typical of the relaxed atmosphere at Debbies.

Lara is a a real delight and cums (!) highly recommended.
