The Lady:

Zara's pictures do her no justice; she looks so much younger in the flesh and perfect smooth beautiful skin. Lovely looking and very pretty, great figure, great bum and lovely shaved pussy, she now has straight hair not curly as in her pictures.

She had a few very sexy piercings that are very tastefully done and dressed to impress, absolute delight so see naked and sitting on my cock.

The Story:

Now I am no stud in the bedroom but can normally last a good 20 minutes, she is so good I came in less than 5 minutes of her sitting on my cock then bending over for doggy style, her arse is stunning and she fucks you as much as you fuck her, perfect technique.

I opted for domination and humiliation to start with and sex to finish, I wish I had an hour, tell her what you are looking for and within reason you will get it, girlfriend experience, domination, porn star whatever you want.

There was no rush at the end, we cuddled and chatted until the time was up, just as I felt I could go again, next time I will be booking an hour.

I will defiantly be back to see Zara.
