163cm in bare feet, lovely curvy figure and great boobs, hair now in a bob and much more suited to her pretty face and eyes - photos are a good in the flesh is much better

The Story:

MKE is back and that's fantastic for me on a lazy Saturday afternoon, so before the delights of MK I decided to indulge.

Greeted at the door by the lovely Eliana in black stockings and matching lingerie, a little shocked as she was a dead ringer for an ex right down the to curves! But I put straight at ease with a lingering kiss and then slowly undressed. On to the bed I got some of the best OWO I have had in years, with lots of eye contact - boy oh boy, this lady is skilled. Lots of kissing and touching a little reverse oral and then on to good old missionary - a real gem and I will be back.
