The Premises:

Lisa works at a walk up in Soho. 70A Berwick Street is one of the better ones. She works on the top floor on Saturdays, Sundays and Mondays. It is clean and quite pleasant.

The Lady:

Lisa is tall and blonde. She is slender but not skinny. I think she has a lovely face and figure. She kind of looks Scandinavian but is in fact from Czech Republic. I would say she's in her late 20s or 30s.

The Story:

I had heard that Lisa is good for hand jobs. I had seen her before and I had an idea that we could pretend that she's a Swedish masseur and she could offer me 'extras'.

When I saw her she was wearing a bikini. She took off her bikini top and got onto the bed with me. I asked her to take her bikini bottoms off too and she did and continued playing with my willy.

We did different things and she seemed happy to comply with my requests. I was happy with my visit to her.
