The Premises:

As directed I traveled by Tube to Edgware Road station, followed by a short five minute walk to the address.

Very impressed by the well prepared room. Excellent stock of costumes, toys and spanking equipment. Roomy and comfortable bed just right for a play session.

On a warm summers day a shower to freshen up on arrival was much appreciated. Shower room was clean and stocked with gel, deodorant and mouthwash. Could not have asked for more!

The Lady:

Charlotte is a stunning brunette who dresses to impress. Loved the "office intern" look chosen, and my eyes were drawn to high heels and stockings which are particular fetishes of mine.

Top drawer lingerie accentuated what is a very spankable bottom.

What most impressed me was Charlotte's photos were an exact match in person. Her bright enthusiastic personality also shined through. A real gem of a girl!

The Story:

Excellent role play of a sorry and shy office intern to start. Took an over the knee spanking from "the Boss" very well.

Charlotte knows how to please herself with a wide array of toys. A delight to watch, and a real turn on to join in with a second remote control toy.

Despite clearly enjoying her own pleasure, Charlotte was at pains to make sure I was well taken care of. An expertly given reverse blow job whilst not missing a beat with her vibrators.

A hugely entertaining hour, with plenty of time to freshen up before starting and to get ready to leave. I left a well deserved and generous tip, and will be planning further fun sessions in the future.

Highly recommended by this Boss!
