The Lady:

The photographs are a bit flattering. Her face isn't as pretty as the photos (but not bad), and her figure is not the best (tits are a bit saggy). However for the price and service described below I think she was worth it.

The Story:

Emse is a new girl, she's been a stripper but never escorted before. What she lacked in looks she more than made up for in effort. She was really keen to please, she spent a good fifteen minutes on her knees licking my balls and everywhere. I'm very demanding, and had her working every bit of our hour together; she more than met my wishes. I finished by coming all over her face, hair and body and she took it all well.
