### The Premises:

### The Lady:

Katie is a petite, blonde, early thirties, girl who also works at parlours, and has PunterNet reports for that too, but she is also an independent. At a mere five feet tall and a slim, trim, dress size eight, she is very attractive, well toned, always dresses to please and I guarantee that after a visit you will part with a smile on your face.

### The Story:

I booked Katie for an outcall to my hotel and had checked in and dealt with the formalities so that when she arrived we could walk anonymously through reception and to the room.

Once in the room we settled down for a preliminary chat and a drink before getting down to the serious business of the night.

A kiss and cuddle soon turned into a naked exploration of each other, especially those pert 32c cups, and then between the sheets for a true GFE with a girl who is enthusiastic about her work, enjoys it whichever way up she happens to be, from oral, 69, reverse, missionary, cowgirl, whatever, we enjoyed them all.

Like other reviewers I have known this girl for some time and regard her as a speciality for her energy, her enthusiasm, and her apparent enjoyment of what she does.

All too soon it was time to part, so after a little time for a rest and a chat, I ran her back to her home, and am looking forward to seeing her again - soon
