The Premises:

Very clean and well organized flat. Fresh towels, toiletries and refreshments all available.

The Lady:

Lauren is petite, very friendly and confident.

The Story:

We started with CBT, primarily on the balls, then some reverse oral, followed by more ball-squeezing, this time delivered using what looked like a large vice! Lauren then produced a succession of clamps, cloths pegs and more vices (smaller ones), and used them all to great effect.

Punishment over, we turned to gentler pleasures - covered oral followed by cowgirl, reverse cowgirl and finally missionary.
