The Premises:

Top floor flat in a residential house. Very nice and clean, thankfully with a fan and mirrors. Also very nice shower.

The Lady:

Tall with a lovely figure. Lovely face. Dressed very elegantly in a short dress with no underwear. As I am a gentleman I allowed her to go upstairs first :)

The Story:

I wanted a tantric massage with sex. She did it disappoint. Took charge in a gentle manner. The massage was very amazing and certainly had me curling my toes a few times. Turned onto my front and continued her massage but this time thankfully giving my member some much needed attention. She then proceeded to give me an amazing BJ and then the reverse cow girl, missionary and doggy. Finally unloaded and totally spent.

Larissa is a lovely girl who really led the way but did not mind when I broke the flow with some caressing of my own.

I will definitely return and try the Nuru.
