### The Premises:

An upstairs flat across the road from a pub about a 7 minute walk from London Bridge station. The bedroom was clean, but quite small.

### The Lady:

A curvy, brown skinned Brazilian girl with large, firm D cup breasts.

### The Story:

A bit of a rushed session because the flat seemed very busy. It was so hot outside that I didn't have the energy for full sex. I settled for uncovered oral, followed by a slow hand job with me coming over her very ample breasts.

I think the flat is shared by other Latino girls.
