### The Premises:

Nothing to add to previous comments on this, maybe except the fact that initially I was invited to the smaller room which was very humid on that hot day. Luckily Kate suggested and arranged move to the bigger one which I had used before and was very pleasant.

### The Lady:

Kate is an attractive milf-type brunette, has a pretty face, nice tan and her breasts and bum looked just right for her figure. She entered the room dressed in a black lingerie, hold ups and high heel shoes. Photos on Ego's website don't show too much and are slightly airbrushed (unnecessarily!) but if you decide to see Kate I am sure you won't be disappointed by her looks as well as attitude.

### The Story:

I had booked 30 mins initially but arrived early so after usual introductions asked for extending to 45 mins. This was quickly sorted out by Kate and the reception as well as was the above mentioned move to much nicer room.

The massage was very professional and relaxing, most of the time Kate's massage was quite firm and I enjoyed every second of it. I felt very relieved during it as on that hot day plus with my slight hangover it was exactly what I needed. I was so relaxed that I felt a bit sleepy for some time therefore we didn't talk too much and both focused solely on the massage. After a while I was fully awake again as Kate moved on to a bit more sexual part of the session. This included her moving all over my body, teasing my sensitive parts and sliding my friend between her breasts as well as me teasing her body, especially her responsive nipples and sexy bum. It felt great all the way and shortly before time was up Kate's hands took care of my best mate and I had a long and intensive orgasm.

In general a very enjoyable visit and quality time spent being pampered by a lovely woman. Kate is highly recommended and I hope to see her again in the future.

PS. Almost forgot... Kate mentioned she likes football and was going to watch England's game later that night so that is another +100 points for her! :)
