The Premises:

Kate has a cosy bijou apartment near London Bridge. It's easily accessible but at the same time discreetly tucked away from main thoroughfares ensuring privacy, peace and quiet. Her apartment is clean and welcoming and she offers shower facilities with plenty of shower gels and creams.

The Lady:

Kate looks lovely and is wonderfully endowed with a voluptuous figure which will stir any red-blooded male! Not only that, she's a genuinely nice person; she's warm and friendly, immediately puts you at ease and is pleasant to talk to.

The Story:

A lot of sites advertising massage services hide behind phrases like 'tantric' or 'sensual' so it's impossible to know exactly what sort of service is being offered. This has always put me off as you have no idea what to expect. The great thing about a visit to Kate is that the service she provides is 'exactly what it says on the tin.' For some time I had been looking for a genuine professional relaxing massage combined with a truly erotic climax and this is exactly what happened when I visited Kate.

On arrival I was greeted with a lovely kiss and we chatted for a few minutes whilst Kate put me completely in the mood for what was to come. After a really pleasant chat and a cup of tea I had a shower, undressed and lay down on the couch. I was delighted to see Kate remove her top to reveal her truly magnificent breasts. She is a wonderful masseuse with sensuous hands and fingers which are at the same firm but erotic. Every area of your body is massaged with great expertise. She is very tactile and attentive and the whole experience was enhanced by some sensual touching of her lovely body which by now was sexily smothered in the oils she had been rubbing on me!

Kate started the massage on my back and legs and then I turned over where she gently massaged my chest slowly moving down to the more sensual areas. After a really relaxing all over body massage, Kate slowly worked me up to a truly sensational climax which was a wonderful way to end a truly enjoyable time. The whole experience went well beyond my expectations. I would thoroughly recommend Kate if you're looking for a truly professional massage with a genuinely 'happy ending' and I can see myself becoming a regular visitor.
