The Premises:

very clean and tidy basement flat between Edgware Road and Paddington. Easy to find. Not a busy road, but safe area of private homes and small shops. Street parking nearby.

The Lady:

She is probably late 20's or early 30's. Amazing lithe figure...enhanced boobs, but everything in proportion. Perfect flat stomach. Fully shaven. No tattoos or piercings. Medium height, lovely face. Always smiling and happy.

The Story:

Had a great time with her. She greeted me like a long-time lover, even though this was only my second visit...and the previous one was some time ago. Lots of hugs and kisses, DFK included. After sorting out the financial details, we stripped in her living room and headed for the bathroom, where she gave me an assisted shower and I had a chance to stare at her perfect body. Then to the bedroom, glasses of wine in hand. She proceeded to lick and kiss at least 70% of my body, with butterfly kisses and caresses, and some serious tongue action in the nether regions. Rimming was excellent, plus lots of attention to the balls.. I was already totally aroused by this; then her BBJ/OWO was also first class: lots of tongue and hand coordination. We switched and I returned the favour with some serious RO. If she was acting, it was very convincing, but she seemed to have one long rolling climax. By now it was time for the main event; on came the rubber jacket and into the breech went Horatio ! Started with cowboy because I wanted to see that incredible body bouncing up and down: Switched into mish without breaking stride, got her legs up around my shoulders for deeper penetration. It was all going swimmingly; I was having a wonderful time and she made all the right noises and movements; really passionate and cuddly. Back to oral for the final stretch and she soon had my cannon roaring as I exploded CIM. We celebrated the victory with some wine and she offered a massage, which was definitely above the normal one given by these girls.

I am sure I have not exhausted her bag of tricks and she said she has some surprises for me when I come next time; she is somewhere between GFE and PSE. Anal is available, but I didn't really have the time nor the inclination. I would rank her very high among the current crop of available Asian ladies. Her face, her body and her personality are all first class; good command of English. I will definitely return - more than once, which is exceptional for me. I think she duos with Carmen,

who is also high on my list of top escorts - that would be mind-boggling.
