The Premises:

A basement flat just around the corner from Tower Bridge. It has a discreet buzzer intercom entry and it was clean inside.

The Lady:

A slim Romanian girl with red highlighted hair. She is a very friendly girl although her English is limited. She does have, however, a really lovely body! I would guess she has large C or D cup breasts with lovely large, pale areolas. Her breasts are natural and soft. I really enjoyed sucking her nipples and squeezing them. She also has nice legs and a sexy bum.

The Story:

The session commenced with covered oral and then sex in the doggy position. I took that slowly because she said I was on the big side. Upon my request, I just had to finish by exploding all over her nipples.

I think there are a few different girls who work nearby in similar flats.
