The Premises:

Its not a big place but its kept very clean and nice.

The rooms are mainly for massage which are furnished with a massage table.

I was glad to see the Aircon in the room because it was very hot.

The Lady:

Rihanna is a slim sleek and absolutely beautiful girl.

Best part is her eyes because they are really naughty.

The Story:

Rihanna came in the room and the room turned brighter :-)

She asked me to lay down on the massage table and gave me a really nice and strong massage, afterwards she asked me to turn around and gave me a lovely massage all over with happy ending.

I asked if I could massage her also and she was happy for me to massage her back.

I was offered a shower which was really nice to get rid of all the oil and then I was happily driving back home.

Rihanna does not work regularly so if you can get an appointment the DO IT!

Its lovely to be massaged by the naughty divine maid.
