The Story:

i was able to reach chloe's apartment at correct time.I knocked the door and chloe came in wearing a sexy tight dress.I was welcomed and greeted with a big smile.I sorted out the paperwork .She gave me a drink and after that the show began.She took me to the bed and started kissing me and hugging me.I felt like I was in heaven at that time.She slowly undressed me and took my cock out. She took her clothes off too and laid me in the bed.WE were kissing and hugging each other again.The condom was put on my cock and started sucking and licking together.While she was giving me oral job, she kissed me and pressed and shook her body against my cock.It was an amazing feeling and it was awesome.She gave me a hand job and I jerked off hard all over her.We started chatting together and meanwhile I was kissing her.We finished off with another handjob while her hot ass was on my face.The clock was ticking away and there was only 5 minutes left.She took me to the shower and rubbed me and kissed me while I rubbed her ass and tits with the shower gel.it was so good and wonderful.It was time for me to leave and she kissed me off.I can't wait for another appointment with her.I would recommend this lady to anyone who wants to have extreme fun.She is so gorgeous and hot.
