The Story:

I had actually booked to see Penny, but as she was unavailable (stuck in traffic) I saw Marissa instead. Communication was a problem, as she spoke very basic English. She seemed quite inexperienced. The OW was OK, but a little toothy, and she was quite aggressive with nibbling me, albeit intended to be playful.

The sex in 3 positions was satisfying and pleasing, but when finished, she seemed to hurry me out, even though I had 10 minutes on the clock left. I felt that was quite rude and put me off booking her again, especially when there are some really lovely alternatives at the same establishment.

I think, given time, she'll be wonderful, as she certainly has all the right assets, but the meet I had just wasn't memorable for the right reasons. Sorry xx
