The Premises:

The new Annabella's place In Fenny Stratford, I was Impressed by the decor, large bedroom with en-suite.

The Lady:

A very good looking Polish blonde, mid 20's, around 5'10" bare foot, nice tanned size 10, 34"D, pretty face. To quote Manmeat "She was tall and blonde, with perfect tits, an all-over tan, and no tattoos. Walking down the street, she could turn the heads of even the most conscientious drivers. I don't know where she lives, but I'd wager the insurance premiums are higher than the national average"

I'd agree with that.

The Story:

I booked Parissa for a 5pm appointment, was let In and waited In the kitchen for 5 minutes, then shown to a large bedroom, place looked good, I noticed the room had a en-suite, so took a quick shower while I was waiting, as I was drying I see Parissa had arrived, so made our Introduction, she looked great.

Had a play with Parissa's pert boobs, they are a good D cup size, she asked me to get comfortable on the bed, OWO was given, In fact very good oral, Parissa knows what she's doing there, after a bit Parissa asked If I wanted sex now, I said not just know as I was enjoying myself, I think she was speeding the punt along, maybe because she had turned up at 5:10, no Idea If she had another booking straight after, but I expected to get my 30 minutes by pacing the punt, so OWO continued for a bit more.

Time for the condom, and Parissa got on top for cowgirl, an enjoyable sight seeing such a hot girl riding you, switched to doggy, Parissa has a great arse to hold onto, a good handful, she took a good pounding, then changed over to Mish, I was told we didn't have long left, not sure If she was wanting to rush me, but by my watch we had 10 minutes left, as Parissa had arrived late, so carried on with her legs over my shoulders, felt It wouldn't be to long, and shot my load.

I had a quick shower and got dressed, Parissa said she'd be back in a minute, and popped out, she didn't return by the time I was dressed, maybe she had her next booking, so I left.

This wasn't a bad punt, but it wasn't brilliant either, looks wise Parissa is one of the hottest girls in MK, the sort of girl many punters take up the hobby, so they can shag a model type babe for a few quid, and that's fair enough, but don't expect wild, there just wasn't a spark or any passion there. Maybe a longer appointment she opens up more.

My guess is Parissa has her own routine, she is efficient but not mind blowing, she doesn't kiss, which is up to her, but not just that, she was pretty distant, not very vocal and seemed to be in default mode. A nice enough young lady though, I will still recommend, as she did the service, and many punters might not be as fussy a git as I am.
