The Premises:

Summers new flat is about 3 minute walk from marylebone train station. Good clear instructions given on how to find flat from there.

The flat is discreet and I did not feel I was being watched.

There is a shower in flat if needed.

Light refreshments offered as soon as you get there.

The Lady:

Summer is better than her photos on her website. This is the first time I have seen her for a couple of years.

Summer is about 5'6" with out shoes, has a couple of new piercings, but only one nipple pierced.

Summer is English, friendly and talks well.

The Story:

Was met at the door by summer, she has no maid, and taken into a room with bed and various punishment implements. There is a spanking frame and some bondage equipment as well.

Summer chose a role play which suited both of us, and wore(to start with) a tight fitting blouse and pencil skirt. With high hills and stockings she looked stunning.

Summer took a hard bare bottom spanking, and suggested the implements I may want to use on her. She took a selection of straps and paddles with great ease, and then some strokes with a ridding crop before finishing with a good dozen of the cane.

She finishes the section with sex, but gives a mean blow job.

Summer is now independent and enjoys herself a lot more, there was no clock watching, or being rushed.

Will certainly return.
