### The Premises:

Block Of flats in middle of row of flats in Longbridge. Room small with just a single bed & mattress.

### The Lady:

Blonde Lady says 27, not as good looking as her copied Blue ice pictures on AW, but she was Blonde, about 5.5 in height small breasts with inverted nipples, shame as i do like a good nipple to suck.

### The Story:

I booked Gemma because of the previous review & it mentioned she was the Gemma from Blue Ice. Having looked at Blue Ice images i thought i was in for a treat. Gemma answered the door & the only thing in common with the Blue ice pictures was that she was a blonde lady. I was shown to the room mentioned above did the paperwork, & she undressed, immediatly noticed several bruises. I got on the bed & asked for a massage which she obliged but did not give too much effort her mind seemed else where. When i turned over we started to carress but this was a bit off putting as she was covered in sweat, which is unusual for a lady especialy at the begining of the session. We moved onto her giving me Oral which i have to admit she did make an effort on & was nice. We finnished up in Missionary which was ok. At the end she said she was in the process of putting her prices up. I think i will phone blue ice next time & see when the real Gemma is working. Several of her pictures on AW are just copied from Blue Ice. I just seem to have a strange feeling about this place that something was not quite right.
