The Premises:

Met Donna at a local hotel which was easy to get to. Parking is good and no security to worry about when getting to the room.

The Lady:

I found Donna Lovelace from Adultworks and was taken in by the profile and description of services. She is 32 years of age and on the profile she describes herself as a "Naughty Sexy Milf", who provides a full GFE. The profile pictures are amazing, and only after arriving at the hotel did I find out that, although the pictures are of Donna, they have been HEAVILY Photoshopped. Profile shows a curvy woman, with smooth skin and great breasts, but reality I would add about 30% to the curves, less smooth skin and sagging breasts.

I had asked on our several conversions about her profile being truly accurate, of which she assured me that they were. Well more fool me for taking an Escort's truthfulness.

The Story:

Donna says in her profile that she provides OWO, RO, 69, DFK, Massage and not to judge her before meeting her. Well there was no DFK, RO, or 69. I was offered a massage, which was nothing out of the ordinary. OWO was OK, and again nothing out of the ordinary. Sex was OK and again nothing out of the ordinary.

There is very little conversation and at one point she was on the phone, which is a real turn off.

I doubt if I will be visiting her again.
