The Premises:

Amira was working from an Hotel close to Aldgate East tube station. I took the opportunity to begin and end the session with a shower.

The Lady:

A very friendly, British born Indian girl in her 20s. She was petite in height and build with lovely D cup breasts. She was wearing a black Basque.

The Story:

A very enjoyable experience in a comfortable, cool room. She started by giving me lovely slow, uncovered oral. We then had protected sex in doggy position. I was really relaxed and in total control. After a few minutes and with her permission, I took off the condom and finished with a facial.
