The Premises:

These parties are held in a large, spotlessly clean house in a side road in a good residential area. On street parking, 2 mins from a bus stop.

There are 5 large bedrooms, 3 bathrooms, plus a room with a sauna and Jacuzzi. Plus large kitchen and very large lounge area. It is a perfect party house.

The Lady:

On the day there were the following ladies;-

Imani-tall, well spoken black lady

Barbara-lovely petite Brazilian girl. Braces on her teeth which makes her look very cute.

Mia-lovely little Philippino lady

Emma Louise- slim, well know party girl. Her teeth are now perfect and better than mine

Leona- nice sexy black girl

Plus at different times there were 2 couples- a middle aged lady who was keen to play and later a young couple where it was the girl's first party and she was happy to be watched but wanted to stick to her young man. Maybe next time she will get more involved.

The Story:

At my age I could not manage to play successfully with all of them but I did manage to enjoy sessions with Imani, Barbara, Mia and Leona.

I do not time have time to go into all the detail but Barbara did a very sexy lap dance for me before we got down to some deep mish. Mia squatted on me. I had nice cow girl sessions with Imani and

Leona and finished off with deep mish and doggy.

Could not manage to fit in the lovely Emma but I did play with her a week or two ago.

The mix of guys was good and everyone was chatty.

Pam's are well worth a visit if you like nice friendly parties in good surroundings.
