The Story:

Penny makes you feel at ease the moment you cross her threshold. From that point on you are in for a real treat. She is incredibly sexy and adapts to your preferences intuitively. I have visited her twice now. The first time I was very nervous yet she put me at ease within minutes and we had a wonderful time exploring each other. On my second visit I called her Mistress and she immediately adopted a more dominant tone and I was suddenly her sex slave doing whatever she required. Needless to say the session was fantastic. I can't wait to visit again!
