Wow. Thin but very shapely. Very beautiful in every respect. Lovely long legs, long blonde hair, pert breasts and lovely responsive nipples. A real stunner. Totally gorgeous. Lips to dies for

The Story:

Fantastic experience. Lilly made me very welcome as soon as she opened the door dressed just in bra and knickers. Friendly and very relaxing. In no time we were on the lovely bed exploring each other. lots of kissing. It became apparent early on just how responsive her nipples were. I could not wait to get to her clit and pussy and that did not take long. I love licking and wow so does she. She had several orgasms and this was great to experience. She did everything that I asked and more. Lilly is a lovely sexy young lady and I had a great time. I will certainly be back to see her again
