### The Premises:

Clean pleasant relaxing

### The Lady:

On first sight I thought I got the wrong lady she was more stunning in real life than in her picture the picture did not do her any justice. she was average height and had a beautiful body wich just made the occasion even better.

### The Story:

Fern put me at rest straight away with some sensual kissing and touching We both got undressed and then I really realised how beautiful she was and I just wanted to shag her straight away but I held back and explored her body in full from me pair of sweet lips to another she then offered me the same taking me in her mouth and preparing me for the amazing experience to come

Believe me I was not disappointed and I can only suggest you try her

Wow def be going there again
