The Premises:

Kasumi has a room in a large apartment with an ensuite shower room. It is located on a quiet residential street and was easy to find with the directions given on the phone from the agency.

The Lady:

She is a little Asian sex doll! Very small and sexy with an ass which is made for fucking!

The Story:

My experience with Kasumi was one of pure unbridled filth and I loved every last second of it! I wanted a girl who likes anal and Kasumi performed with a sense of enthusiasm that was out of this world. She performed like a champ and really took it hard in her ass! She also gives good head and has a nice tight snatch! She's a brilliant young lady and I will make plans to visit her next time I am in the UK again.
