The Story:

My first punt in years. Visiting Victoria was a long-held ambition. She did not disappoint in any way. Victoria is an absolute sweetheart of a lady, kind, gentle and funny and extremely talented. Please forgive the lack of detail, but her services are wide and varied so my individual experience is irrelevant; I am sure if you are clear about what you want and it falls within her list of services she will give you a wonderful time. That's certainly what I got and I she has my sincere gratitude
