Bait and switch. Lavinia is used to attract punter. On entering flat given choice of 4 average looking Romanian women.

Should of left but well you know how it goes...

Chose Vanessa. Went for 15 min at £40. She stripped off quickly and down to business. Did an ok bj so thought I'd do half hr. After negotiating she agreed. So for first time started in mish with her hand stopping real penetration. Too late as I'd paid the extra.

Next time couldn't get up as she went straight to just grabbing cock and tugging away. No rest. Bit of grunt here. Roll of eyes there. I knew I wouldn't get it up but thought I'd paid so if she going to make no effect nor would I so left her tugging away for 15 mins till she got tired, then decided to leave.

Avoid this place. Not worth it.
