The Premises:

Modern flat in new block adjacent to Paddington basin. Clean double room with ensuite bath/shower. she shares flat with two other girls. safe secure area.

The Lady:

The only negative is that you would struggle to recognise girl you meet with photos unless you looked very close. However not sure why they are so photoshopped as the real thing is very pretty tall slim, about 20 and brunette in other words as described on the site. Eliza is polish , my favourite, and speaks good english. However she is only here until sometime in september when she returns to college.

The Story:

I have used this agency more in recent past as service from Abby is excellent and I have come to trust her recommendations so when I said I wanted an all service naughty brunette she recommended Eliza. Greeted with nice kisses and offer of wine and after shower discussed what I would like. In short she is very naughty actually filthy in fact and in her own words very kinky. She likes lots of deep throat, loved DATY and she has a spectacular bum which she loves getting fucked and she particularly made excellent use of a chair in front of a large mirror so we could both see all the action and first round finished with spectacular full facial and swallow. Following a rest and nice chat onto next round when she admitted to being quite submissive and liked being tied up so with a certain lack of right equipment we improvised with an old suspender belt to tie her hands after which I was ordered to fuck all of her after which we finished with another facial. I think if you gel with her then she can be as filthy as you like providing she feels comfortable with you. So treat her well and you will find it an excellent experience . She also likes duos and prefers brunettes. Not sure I will get the chance of a revisit before she returns to Poland but who knows she may return later. Abby thanks again for excellent recommendation
