The Premises:

It was a gated flat in hither green about 10 mins from the station. Nice and discreet, I didn't have a problem parking, parked right outside.

Cosy place, nice room with TV, bit of porn, good bed. There were shower facilities there too which I took advantage of after my hour of bliss,

The Lady:

I see Nishas pics online and to be honest they don't do her justice. She is a gorgeous little Spanish blonde, Just my type a small petite little blonde, tidy little body, nice firm breasts.

She was wearing the full kit, stockings, stilettos, sexy tiny thong and I was getting excited at the thought of what I was gonna do to her!! Lol

Lovely accent, spoke in both English and Spanish to me, the Spanish was a proper turn on in my ears when I was fucking her.

The Story:

What can I say' it was bloody lovely. Nice sexy lady, nice soft skin, wicked oral skills, had to stop myself from cuming a few times! I think she realised this and told me I should as we can do this a few times- result!!

Enjoyed every min of that hour!! Definitely a lady that aims to please and that pleased me.

Will absolutely be back.. Oh yes!!! Same time next week, think I may start working from "home" on a wed lol
