The Premises:

Angela was entertaining clients at a city centre hotel.

The Lady:

Late 30's milf and a BBW size 18 roughly, def a good time for lovers of curvy women. Wore knee length black leather boots while we were shagging.

The Story:

This was amazing. I normally only go to parlours but saw her online and decided to book. She has worked in parlours before for years so is very experienced. Started with a bit of a massage then deep french kissing and a good tit sucking and kissed down to her wet pussy which was duly licked. She was very turned on and in no time I was being deep throated wet and noisy oral. Got condomed up and into missionary for more kissing and long deep thrusts into my BBW. It was all too much and I soon shot my load deep inside her. Fantastic.
