The Premises:

Lovely duplex apartment within former county hall complex. Clean, warm and welcoming. Unfortunately she no longer uses this address but I appreciated it at the time.

The Lady:

With her red hair she embodies that whole Christina Hendricks mad men-esque sex appeal. Just a whole lot younger, sexier and sassier. Indulged me by wearing the whole sexy secretary apparel complete with sexy poses.

The Story:

Met Verity for a couple of hours just before she departed on her travels. Had been wanting to see her for ages so glad I made it before she left.

I'm a pretty vanilla GFE sort of guy so this review may be of limited use to some people but I thoroughly enjoyed myself. She has a great attitude and is very responsive sexually so take your time and see to her needs first and then you'll be well looked after.

We had a really good time and she was great company afterwards. Unfortunately her presence in London will be fleeting and elusive as she embarks on her travels but if you can get a booking she is wholly worthwhile.
