### The Premises:

Valentines is fairly discreet in an industrial unit with car repairs around. Quite easy to slip in anonymously though. Inside it is just like a spacious home. Discreet entry and exit arrangements mean you don't mingle with other clients. Helpful and honest receptionist got me a drink of my choice and settled me into the room for the inevitable wait for the lady. A menu was on display along with a pledge that all the girls should charge the same price and to complain if anything fell below standard. I certainly had no need to complain.

### The Lady:

Described by the receptionist as mid 20s size 8 and I wouldn't disagree.

### The Story:

When Vicky appeared she was bright and chatty and was wearing a nice basque pushing up two pleasant handfals which were later investigated in greater detail and which were brushed tastefully over me during massage. The massage was quite acceptable and the gradual shift from massage to stroking to teasing soon had the desired effects between my legs. Nothing seemed to be too trouble and Vicky arranged herself wherever I asked her so that we could indulge in mutual pleasure. Her oral skills are very good and she knows how to vary the pace to ensure a gradual build up the ultimate conclusion - in two positions with a nice rest after the main event instead of the usual quick pull out. A cuddle and a chat and I was on my way with a smile. Highly recommended.
