### The Story:

My reason to attend this party was the headliner draw "Amy Swallow" who I had been wanting to see for sometime and the party pro's 2hrs at £120 will CIM + swallow etc that was advertised on TW was an easy decision after the bank balance was checked :O

Sadly on the day Amy couldn't make it and was left to Carly + Summer to manage the 2:4 ratio to starting while the maid got on the phone to get a late addition Dahia GG to pop over. Once in full swing it became 3:5.

Anyway my time was mostly spent with Carly and on arrival Dahia before going back to Carly who floated my boat the most when ever she was free. Good to say all the ladies were sucking, fucking in what ever position that where needed before finding another willing cock to suck/fuck.

My time with Carly the following was done willing and with 110% effort and a thank kiss afterwards:

OWO + eye contact + head over the bed + alittle DeepT + light face fucking with me taking the lead + HR with spit

Spit Roasting

Kissing with tongue

CG + RCG

RO + fingering

CIM (was implied + acted on but sadly the well of cum was needed time + emptying)

MISH + Doggy

Good believable moaning :))

Good knowledge to excite you with Dirty talk

Finger sucking while in RCG

Witnessed:

Legs over shoulder + face sitting

FFM - face sitting + being sucked

All in all the ladies sucked, fucked and moved on to the next free victim who had their cock out that wanted it sucked. Sadly I didn't spend anytime with Summer once the party started but I arrived early and she and Carly were very friendly clawing me with their 1 inch nails but witnessed others enjoying her VERY much with Dahia.
