The Story:

Betty was recommended by the receptionist, I wish she hadn't. She is listed as open minded but there was on DFK, no OWO and when I mentioned I wanted to try a service that had been discussed in advance with her and the agency she started moaning about having to do it and after a few mintues wanted more money if we were to continue. When I refused to pay she stopped doing my request. By now I was having no fun so quickly finished and left. She seemed angry at not being paid more as she did not say another word to me. Terrible atmosphere and booking.
