The Premises:

Convenient, single flat right off the street. Room nice and clean. Fresh towels and bed coverings.

The Lady:

Nice girl, pretty much as per web description, enhanced boobs, but nicely done.

The Story:

Welcomed in and shared bath, offered choice of drinks. Clearly likes to lead, and I enjoyed allowing her to go through her repertoire!

Great sloppy BJ with lots of ball licking and variations of light sucking then deep thrusts to the hilt, very erotic.

She switched to doggie and slid me straight up her ass and allowed deep pumping anal, that finished me off in pop 1.

Then nice massage and erotic stroking got me ready for round 2. She made me just lie there and relax while she worked away happily deep throating me. It took a while to get the sap to rise, but she just didn't stop. With a combination of hands mouth and boobs she got me to a massive second explosion.

Really top girl who can be 100% recommended. I just have to thank Ben at AO because he worked hard to set this punt up for me, and I left the choice of lady to him. Fantastic service and I would definitely use this agency again.
