### The Premises:

Located in the town centre up a side street. It is quite discreet and there is plenty of car parking around. Entry is via two doors the second one being a security door with a buzzer on it. Inside the reception looks quite plush with leather look upholstered seating and mood lighting. The room we used was clean and tidy with a nice shower and a large bed with mirrors on the wall again with mood lighting. In all the place looks very nice and it seems they haven't spared the pennies on fitting this place out.

### The Lady:

Rosie is a nice looking brunette in her mid 30's with blue eyes. She is about 5ft 6in tall with a lovely size 10 34d figure.

### The Story:

There were two ladies on Rosie and a nice looking busty mixed race lady called Elise. Chose Rosie who was looking nice in a smart dress with a nice smile on her face. Paid the lady on reception my entry fee and Rosie took me to the room and left me alone to have a shower. Just as I was drying myself off Rosie returned and explained the services available and the costs. I handed the money over and laid on the bed whilst Rosie removed her dress. She had on a nice bra and knicker set on and got on the bed next to me. She started off with a massage on my back and whilst doing so entered into some nice chit chat with me and also explained what was allowed and what was not one of which was no fingers allowed. I turned over for her to massage my front and she also kissed my front which then developed into some nice gentle kissing with tongues. Whilst doing so I was rubbing her breasts and that's when she removed her bra to reveal a nice pair of breasts. We were both getting into the swing of things and her knickers then came off I ran my fingers over the outside of her pussy which felt nice and was soon getting moist. Rosie then proceeded to kiss down my body to my now erect cock which she took hold of and gave me some lovely oral which was all eventually getting a bit too much for me. We returned to some more gentle kissing before I then performed oral on her. Rosie was getting quite wet down there and also eventually came twice and then asked me to put a finger in which was previously not allowed. Eventually she put a condom on me and we had sex nice and slow in a mish doggy and mish again on the edge of the bed before the condom was removed and she wanked me to a lovely finish.

This was a fantastic 30min with Rosie and although a bit pricey I would and will see her again.
