The Premises:

Smart flat in Knightsbridge. No complaints whatsoever.

The Lady:

Very pretty girl with stunning physique; slim with the most incredible rack. Her pictures are pretty good, and what you see is what you get, although I think she is prettier facially in real life.

The Story:

Was welcomed in with passionate kisses and although I was in the mood for a PSE session, her kissing melted me and we did some GFE which got us both off, and I spent the second hour of the visit just lying with her in her bed touching her and discussing life, her personality is that interesting and her body just begs to be looked at. No clock watching, and I will be back in future for sure.
