The Premises:

On Queensway. Little parking, but easy from the tube. Easy enough to find. Rather stale old bedsit. In need of a refurb. Kitchen with dirty dishes in the same room as the bed. Tired drapes and furnishings. Dirty old bathroom.

The Lady:

It's my own fault I suppose. I should have read her profile before booking, but I took the Agency's recommendation. I wanted two girls and A. I liked the look of Yoko and the Agency suggested Angie. Her profile says 'full-bodied', but there is a much better three lettered word to describe her.

Yoko seemed game and slim, whilst Angie stood sullen with her tits out. I probably should have just left.

Yoko is not quite the girl in the photos, but once naked had firm well shaped enhanced boobs, good figure and nice arse. I thought better of getting Angie completely undressed.

The Story:

I got undressed, had a quick shower. Then I had a girl in each arm and thought it might turn out well. Yoko began on my nipples and after much use of wet wipes went further down. Angie started to kiss... well aggressively thrust her tongue in and out of my mouth in a most unpleasant manner.

There was a move to the bed, general swapping round, but it was all bit rubbish. I fucked Yoko for a bit, then Angie from behind which wasn't fun. Eventually I tried A with Yoko, but she never let me get going. I wasn't disappointed when Angie said she didn't do A.

Was finished off by hand over Yoko's tits.

Only about 30 minutes had passed, but it was made obvious nothing else was on offer.... So I left feeling let down (again).
