### The Premises:

Close to Anerley station, on bus routes and with parking nearby. Safe basement flat with a front and discrete rear entrance. Clean and updated, with two service rooms. The original room has red furnishings, a wrought iron bedstead, poor quality video and the same great mirror wall. The original lounge is now equipped with the old circular bed and TV and video. The shower has also been refurbished and has a new temperature control. A friendly maid offers drinks before and after.

### The Lady:

About 5'6" and in mid-twenties, Mercedes has a beautiful face with a welcoming smile, a light tan skin (from her Anglo-Indian origins), large dark brown eyes, long dark brown hair and a neatly shaved pussy. About 5'6" tall, with a gorgeous 34/22/34 figure, natural size C breasts and long legs, she is a delight to the eye. Mercedes is very gentle, sensuous and feminine and keen to please her clients.

### The Story:

Even a week after my visit, the memory is still enough to cause the writing of this FR. Mercedes was quick to greet me with a warm cuddle and long, soft, sensuous kissing, until formalities completed, we spent time in the shower exploring each others' bodies, sliding over each other in close and very stimulating contact, all accompanied by more DFK. Back in the room, her sensuous kisses almost put me in a dream state. Then, onto her firm breasts and slowly down to her wet pussy where my attention produced multiple orgasms, which service was returned by a very long and delightful OWO. The finale was a great doggie (as ever, viewed in the mirror). A short cuddle and some more DFK completed a great visit. Mercedes had provided a perfect GFE.
