The Premises:

Decent place. Got there by train from Manchester and took me about 10 minutes to get there by foot. The parlour has two entrances both via stairs to the first floor at the back and the front.

The Lady:

Blonde, fit with a great set of tits. Just like the photos on the Brooklyns web site.

The Story:

I had two weeks off work and by day 3 I was bored of beating Japanese schoolkids at online football. So, given the choice of painting the Kitchen or doing something a little bit more constructive I opted for the latter and caught the next train to Crewe. I had made a booking on the way there and arrived a few minutes early so I didn't have to wait long until I was shown to the room. The ensuite shower is electric and it basically drizzles water all over you i.e. not very good. It's like how I'm going to pee when I'm 72 and have a bad prostate.

Anyway, I was just finishing off drying myself when Sienna came in removed her bra and basically stuck her tongue in my mouth. We DFK'd a bit more and then I offered to give her a massage. She undressed completely and then lay on the bed while I rubbed her shoulders. We then talked for a few minutes about what we had been up to and then my dick told me to shut the fuck up and flip her over. Sienna duly obliged and there followed 20 minutes of me sucking on her nipples, DFK, pussy licking, missionary and then her riding me in cowgirl until I came.

This is not the first time I've seen Sienna and it won't be the last. Very highly recommended!
